2016 ANNUAL REPORT

May the Lord **ble**ss you and take care of you;
 May the Lord **be** kind and gracious to you;
 May the Lord **look on you with favor** and give you peace.
 (Nu 6:22-24 GNT)

Isn't it **wonderful** that our Triune God likes to bless us in triplicates?

Your support has allowed God's favor to flow in remarkable ways from weekly prayer to greater giving. Donations have increased 15% since last year.

We planned a core course, and God gave the increase: new students and our first Afghan Muslim, a seeker who practically gave her life for other kinswomen to have greater freedom.

We held discernment groups in Boston, New York and Hong Kong and attended the ordination of one of our WOW! sisters. What a gift to see sisters grow in their confidence, wisdom and capacity to lead!

We led workshops on calling and gifts for a young professional fellowship, an inter-church conference and then a denominational gathering of women, and the demand keeps growing.

After five years of serving together, it was a special treat for us as staff to attend the Christians for Biblical Equality conference in S. Africa.

Come follow our journey through the year.

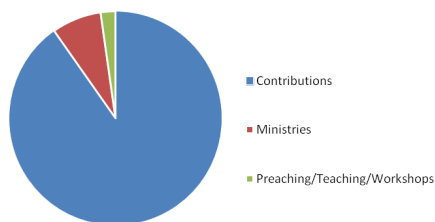

Celebrating God's goodness, as we love, pray and travel for the gospel of equality,

Grace, Manni & May

SEEK

DISCERNMENT MINISTRY

My discernment group helped me to discover more strengths and giftings than I thought I had. I was able to identify internal issues and learn how to tackle them. Now I can embrace who I am and will continue to develop into the person God wants me to be.

STUDY

CORE COURSE

In the four Tuesday evening seminars, The Holy Spirit prompted me with 1 Corinthians 11:12, "For as woman came from man, so also man is born of woman." The faith and courage of the attendees was inspiring. The testimony of one sister, overcoming a debilitating stroke to obtain a Ph. D. while serving others and completing a marathon to glorify Christ, was awesome. No less amazing was an Afghan's determination to foment women's rights in Afghanistan against fierce opposition, including a bullet wound. I enjoyed the fellowship of a Navy veteran and the candid sharing of a female pastor. The vivid display of hospitality, organization, and efficiency displayed by the WOW! Team is a testament to "teamwork" and the transforming power of Christ. Finally, the presentations were well reasoned and passionately delivered. The Lord of equality is sovereign.

MENTORING SUPPORT NETWORK

Really thankful for God giving me a brain to pick, a listening ear and a beacon of light in moments of darkness during mentoring. The monthly meetings are a constant reminder

that God is faithful and that I am a friend of God, because He calls me friend!
