Dear WOW! Family,

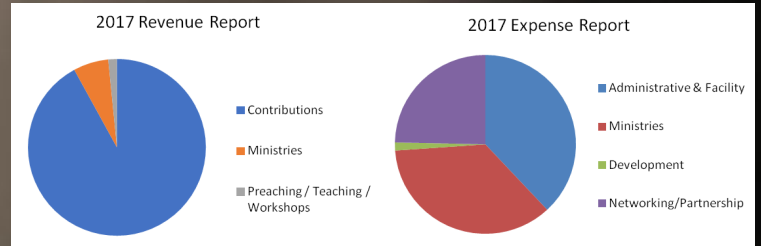

After much prayer, we started the year by participating in the Women's March in DC. We joined with others in our nation to say that it matters how we treat women and girls. The next month we offered an entirely different experience and invited people to hear what God had to say to them in a silent retreat in the still surroundings of Bethlehem, PA. In the spring, we led a workshop on gifts and calling at the Presbyterian Church of St. Albans in Queens, NY. In the summer, we hosted a seminar led by Dr. Jewel Hyun on the theology of work at Grace Faith Church in NYC. In the fall, we started our monthly series on Women, Leadership & the Bible. Then we rounded off the year with an Advent prayer conference call.

We want to say thank you to all of you who gave sacrificially in the past year and many who gave for the first time in memory of Grace's mother, Feng Ying Peng.

You have been such an amazing source of support!

With grateful hearts,

Manni, May, and Grace
