Dear Friends,

Thanks for your generous support!

You helped to make it a year that brought life and vitality for so many!

### **WOW! Firsts**

A record number of *brothers and pastors* participated in Dr. Sheryl Silzer's multicultural leadership workshops, co-sponsored with PaLM (Pastoral and Laity Ministries) and ISAAC (Innovative Space for Asian American Christianity).

Our monthly seminars are now *free* for all who come.

Christy Chia, our intern (*now* West Coast Coordinator) is blazing a new trail for us on *social media*.

We gathered a group to participate in *SheLeads*, a ministry that shares our vision to see sisters soar!

### **Lives Changed**

#### **through our Mentoring Support Network and Discernment Ministries**

A sister graduated from Alliance Theological Seminary and now preaches regularly and graces the pulpit of NYC churches.

An Executive Director ran her first marathon, and through one of our connections, her ministry now enjoys a new office space.

A brother and veteran pastor taught and ministered in Asia, the culmination of years of prayer for this country.

Women and men left our Silent Retreat refreshed and profoundly touched by their encounter with the Lord.

**WOW!Team**
